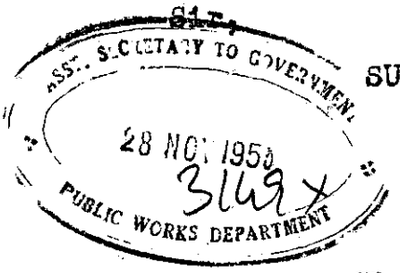
Letter No. 53719-B4-55-1 dated 25.11.55.

Sir,



SUB:- Tools and Plant - Highways Department - Power roller - Lending to Anandashram, Kanhangad - recovery of hire charges at normal rate of hire - approval of Government - requested.

The Manager, Anandashram, Kanhangad has requested the Divisional Engineer (H) Mangalore to lend him a power roller for a day's work for consolidation work inside the Ashram compound and has also requested that normal rate of hire (i.e.) Rs.60/- per day for a Power roller may be levied since, the Ashram is purely in a charitable institution. The Divisional Engineer (H) Mangalore has recommended the levy of normal rate of hire for the Power roller lent to the Anandashram and has also instructed the Assistant Engineer (H) Kasaragod to lend a roller for a day after collecting normal rate of hire charges in anticipation of approval and has requested that his action may be ratified. The Superintending Engineer (H) Cannanore has endorsed the proposal of the Divisional Engineer (Highways) Mangalore.

In this connection, I have to state that as per para 340(9) of P.W.D. Code, when Tools and Plant are lent to private parties, double the normal rate of hire charges has to be recovered. Since the Anandhashram, Kanhangad is a charitable institution and as Government have also given such concession for collection of hire charges at normal rate of hire in the case of concrete mixer lent to Auxilium College for Women, Katpadi in G.O.Ms. No.2253 P.W. dated 8-6-55 and as the Divisional Engineer (H) and Superintending Engineer (H) have recommended the levy of hire charges at normal rate of hire, I request that approval of Government may be pleased to be accorded for the levy of hire charges at normal rate for the Power roller lent to the Manager, Anandashram, Kanhangod, and to ratify the action of the Divisional Engineer (H) Mangalore in having instructed the Assistant Engineer (Highways) Kasaragod to lent the roller in anticipation of approval of Government.

Early orders are requested.

for Chief Engineer
(Highways).
